BUY NOW

Early orders get the preference in event of a shortage, as well as assuring you of delivery when you want it.

Early import orders afford us a chance to buy better for you. Placing your orders (and confidence) early with us, invariably shows on the invoice to your advantage.

To protect you, we guarantee against any later market decline. If prices go down, you still get the preference.

Place orders early in fairness to yourself.

Thank you.

OUR TERMS

All bills are subject to 2 per cent discount within ten days from invoice date. Sixty days net. Sight draft, plus interest, thereafter.

Shipments are forwarded by best carrier, in our judgment, at time of delivery, unless otherwise specified by customer.

First-class stock is carefully packed when shipment is made, and we hold good order receipt from the transportation company. Our responsibility ceases thereafter. If the stock reaches you in bad condition, notify agent and bring claim against the delivery company for damage caused by their negligence, as no allowance for this cause, can or will be made by us.

We endeavor to send out only the best quality of **Bulbs, Plants, Seeds** and **Cuttings,** but under no circumstances do we guarantee results of crops. If goods are not acceptable under these conditions, they must be returned to us at once.

All **Bulbs** are billed on arrival, whether shipped at that time or placed in cold storage for later delivery. They may be examined at time of arrival if desired, but no claims will be entertained at a later date.

As to all items other than **Bulbs,** claims must be made within five days after receipt or they cannot be recognized.

November 10, 1928.

Gentlemen: We want to take this opportunity to thank you for the way in which you have taken care of our orders this year.

Our Begonias are better this year than they have ever been and our Calceolarias look fine. We hope and expect that our Lilies will come through just as fine as the other two crops.

THE FRIEDLY CO.,
East Cleveland, Ohio.

* * *

Harrisi and Formosum Lilies from you have never been better. Harrisi will average six blooms, and as for Formosum, some have as many as twenty-six buds, the majority fifteen to eighteen.

W. E. TRICKER,
St. Paul, Minn.

* * *

The first case of cold storage Giganteum you sent me are now coming into bloom. I cannot remember that I ever had a case of Gigs as free from disease as this. I did not have to throw one bulb away. Sorry I did not buy my Easter order from you.

JOHN H. SYKES,
Allentown, Pa.
